

Our Fleet

M/V Explorer I

The Explorer I is a 49-foot scarib racing hull raft Coast Guard certified for 49 passengers, which is limited to 38 passengers for comfort. The vessel is powered by twin 315 h.p. turbo-charged diesel engines and has comfortable seating for all passengers and an on-board restroom. Explorer I, together with its sister ships Explorer II and Explorer III, runs the Lanai Landing Dolphin Adventure trip (i.e., two morning departures and landings) to the island of Lanai, which involves a picnic and excursion on the island and swim/snorkel activities on the beach and from the Explorer Super Raft at one of several snorkel sites off the island.

Explorer I does whale watching during Whale Season from December through April each year and is also available for private and group charters of up to 120 passengers in conjunction with the company's other Explorer Super Rafts. Explorer I operates out of Slip #11, Lahaina Harbor.

M/V Explorer II

Explorer II is the sister ship of Explorer I and does a daily Lanai Dolphin Adventure, a morning swim/snorkel eco-adventure at two snorkel sites off the Island of Lanai with a search for Lanai's 200+ family pod of spinner dolphins. Explorer II does whale watches during Whale Season, and the Explorer Super Raft is also available for private and group charters. Explorer II operates out of Slip #11, Lahaina Harbor.

M/V Maui Explorer

The Explorer III is a custom built 37-foot, 34-passenger raft with a scarib racing hull which is one of the fastest whale watching and snorkel boats on Maui. The Explorer III is powered by twin 315 h.p. turbo-charged diesel engines and has comfortable shaded seating and an on-board restroom. This Explorer Super Raft operates out of Slip #11, Lahaina Harbor and is also available for private and group charters.
